TAX CREDIT DOCUMENT SUPPORT FORM

Metals USA Building Products, L.P. certifies that the Metals USA insulated metal roofing panels in the colors listed below qualify as Eligible Building Envelope Components for the Federal Tax Credit for non-business energy property under §25C of the Internal Revenue Code when affixed to a dwelling unit or appurtenant structure. **Homeowners should consult their tax advisor regarding availability of the tax credit. Each of Metals USA Building Products, L.P., its directors, officers, agents and affiliates, disclaims any and all liability for the taxpayer's ability to receive tax credits.**

check one	Brand	Color	% of initial Solar Reflectance	% of initial Solar Reflectance after 3 years	Emissivity
<input type="checkbox"/>	Solar III Pro-Fab EZ-Lok	White high gloss	0.70	0.65 meets high & low slope	0.85
<input type="checkbox"/>	Solar X	White Low gloss	0.67	0.65 meets high & low slope	0.84
<input type="checkbox"/>	Solar III Solar X Pro-Fab EZ-Lok	Wheat	0.48	0.55 meets high slope only	0.83
<input type="checkbox"/>	Rhino UniFlex II	White	0.70	0.68 meets high & low slope	0.85
<input type="checkbox"/>	Rhino UniFlex II	Wheat	0.54	0.53 meets high slope only	0.85

The Metals USA Building Products, L.P. products in the colors listed above have been independently tested (ASTM-C 1371 and ASTM-C 1549) for initial solar reflectance (ISR) and determined to meet the standards required by the Energy Star Program. This program requires STEEP Slope Roof products to have an ISR of 25 and a solar reflectance of 15 after weathering in the field for 3 years. This program requires LOW Slope Roof products to have an ISR of 65 and a solar reflectance of 50 after weathering in the field for 3 years. The Metals USA Building Products, L.P. products in the colors listed above satisfy these requirements.

Roofing	ENERGY STAR qualified	Metal Roofs	30% of cost, up to \$1,500.00*	All ENERGY STAR approved metal and asphalt roofs qualify for the Federal Tax Credit. Must be expected to last 5 years OR have a 2 year warranty.
---------	-----------------------	-------------	--------------------------------	--

*Installation costs NOT included. Manufacturer's Certification Statement required. \$1,500.00 maximum per homeowner for all improvements.

Save your receipt and keep a copy of this Manufacturer's Certification Statement with your tax records.

A Manufacturer's Certification is a signed statement from the manufacturer certifying that the product qualifies for the tax credit. The IRS encourages manufacturers to provide these Certifications on their website to facilitate identification of qualified products. **Taxpayers must keep a copy of the Certification Statement for their records.** Submittal with their tax return is not required.
